CLINIC GOALS

- 750+ Patients Per Day
- 80+ Dental Operatories
- 10+ Vision Lanes
- 50+ Medical Treatment Spaces

- Dental services: Hygiene, restorative, extractions, select endodontics, CEREC crowns, temporary partials (flippers), radiographs.
- Vision services: Complete dilated eye exams, glaucoma screening, diabetic retinopathy, readers, prescription eyeglasses.
- All patients are triaged and have their blood pressure, temperature, and medical history taken before being seen in care areas.
- Volunteer for as many days as you desire. **Full shift participation** is important to maintain operational efficiency. Shift start and end times are indicated next to each assignment in the registration system.
- **Masks are optional for all participants but are strongly encouraged in crowded areas and may be required during some treatment processes. This policy may change according to public health guidance and community metrics for respiratory viruses.**
- Volunteers must be at least 18 years of age.
- Volunteer healthcare professionals are not obligated to provide follow-up care.
- **Healthcare providers are responsible for their own professional liability insurance.** U.S. licensed providers may be able to receive free malpractice insurance, paid for by the Department of Health, through the Volunteer and Retired Providers Program. See online registration for details.
- Only U.S. licensed professionals can volunteer as healthcare providers. Out-of-state providers **MUST** submit an attestation form to the WA State Department of Health in order to volunteer. See online registration for details.
- Healthcare students in specified professional fields are welcome, however spaces are limited and they may be restricted in their involvement in direct patient care. See online registration for details.
- Approved mission of the Public Health Reserve Corps (Seattle & King County).
- Continuing education credits will be available at no cost to participating dentists, dental hygienists, EFDAs, and social workers.
