

FREE Dental, Vision & Medical Care

APRIL 24 – 27, 2025 at Seattle Center

ABOUT THE CLINIC

- **Limited number of admission tickets** distributed in Fisher Pavilion at Seattle Center (Corner of 2nd Ave N & Lenny Wilkens Way)
- You cannot get both dental and vision care on the same day
- No advance registration – **FIRST COME, FIRST SERVED**
- **DO NOT** attend if you are feeling sick
- Interpreters available
- FREE parking Mercer St. Garage (650 3rd Ave N)
- **Come prepared for a long day with food, comfortable clothing and any daily medications**

ALL ARE WELCOME!

- For anyone in need who struggles to access and/or afford healthcare
- Patients do not need ID or documentation of any kind
- Patients do not need to be residents of Seattle or King County

ALL SERVICES ARE FREE

DENTAL: Treatment for pain or discomfort, known or suspected cavities, swollen gums, and broken teeth.

VISION: Vision screening, complete eye exams, prescription eyeglasses. Bring a current prescription (less than two years old) to skip the eye exam and just get eyeglasses.

MEDICAL: Primary care, x-rays, mammograms, ultrasounds, select lab tests, immunizations, foot care, dermatology, physical and occupational (hand, wrist, elbow) therapy, acupuncture, nutrition, behavioral health, and more.

RESOURCES: Social work, help with health insurance, and more.

**MORE
INFO**

(OVER)

How Do I Get Into the Clinic?

- Get a ticket in Fisher Pavilion at Seattle Center. Fisher Pavilion opens each day at 12:30 AM for patients who arrive early (see seattlecenter.org/patients for a map and details).
- Before entry, patients and their guests will go through a health screening. Anyone with flu or COVID-like symptoms will not be admitted.
- A limited number of tickets will be given out each day starting at 5:30 AM. The ticket is only good for that day. One ticket per person.
- Patients will enter the Clinic in order of ticket number.

How Should I Prepare for the Clinic?

This may be a long day. Come prepared to take care of yourself.

- **DO NOT** attend if you are feeling sick.
- Bring food, beverages, and any medications you may need throughout the day.
- **DO NOT** fast for lab tests.
- To get dental care, you must have blood pressure and glucose within certain limits for safety.
- Wear comfortable clothing.
- **Masks are optional for all participants but are strongly encouraged in crowded areas and may be required during some treatment processes. This policy may change according to public health guidance.**
- Pets are not allowed unless they are trained service animals.
- A parent or legal guardian must accompany a patient under the age of 18. Exceptions may be made for youth ages 13 and above who are not in contact with a parent or legal guardian. Pediatric specialists may not be available to provide care for children.

Will Someone Speak My Language?

- Interpretation will be available throughout the Clinic.

What Happens Once I Enter the Clinic?

- There will be a large number of patients. **You may not be able to get all of the services that you want or that are offered on the same day.** You cannot get both dental and vision care on the same day.
- Patients can wait in line for an admission ticket on another day for additional services.
- You will be given a pass for the Clinic. This pass will allow you to leave and re-enter Clinic buildings for that day only.
- We will collect basic personal information including name, age, and a mailing address where we can send lab results and/or completed eyeglasses.
- In each service area (dental, vision or medical) you will wait your turn in line and will be seen on a first-come, first-served basis (not based on your original ticket number).
- If you are in line for service and you leave your place for a long time you will lose your place in line and will need to go to the end of the line when you return.

What Services Will NOT Be Provided?

DENTAL: Bridges, complex extractions including wisdom teeth, dentures, implants, orthodontics, root canals on molars, sedation, teeth whitening.

MEDICAL: Biopsies, casts, CT scans, stitches/sutures, immunizations for children under 18 years of age, MRIs, new prescriptions for behavioral health medications.

VISION: Contacts, sunglasses.

Opioids will not be used or prescribed.
