

## 2026 Volunteer Outreach Text

### Email/Newsletter:

**Before January 5:** Event registration for the 2026 Seattle/King County Clinic opens January 5! The clinic will take place April 23–26, 2026 at Seattle Center.

Since 2014, this volunteer-powered event has provided \$30 million in free dental, vision, and medical care to over 33,000 patients. The clinic depends on volunteers like you to make this vital community service possible for people who face barriers to care.

Create or update your volunteer account today to get notified when event registration opens: [seattlecenter.org/volunteers](https://seattlecenter.org/volunteers)

**After January 5:** Thousands of people in our community can't access or afford the care they need — but you can help change that.

Join Seattle/King County Clinic, the region's largest volunteer-driven free health clinic, happening April 23–26, 2026 at Seattle Center. Use your skills to make a lasting impact while connecting with others who care about community health.
