

Seattle/King County Clinic Information About Liability Insurance

At Seattle/King County Clinic licensed healthcare professionals are required to have liability (malpractice) insurance to volunteer.

This includes:

- Acupuncturists
- ARNPs
- CNMs/ARNPs
- Dental Hygienists
- Dentists
- Denturists
- LPNs/LVNs
- Mental Health Counselors
- Occupational Therapists
- Ophthalmologists
- Optometrists
- Pharmacists
- Physical Therapists
- Physicians
- Physician Assistants
- Psychologists
- RNs
- Social Workers

It is your responsibility to ensure you have an active insurance policy in place while volunteering at the Clinic.

Here are a few things to note:

- Often, employer-provided insurance does not extend to volunteer work. Some organizations have pursued exceptions for work at the Clinic. **It is your responsibility to confirm if this is the case with your organization and secure any required approvals.** Some of these exceptions include:
 - Kaiser Permanente
 - Staff are encouraged to notify the administration of their volunteer participation
 - Madigan Army Medical Center
 - Staff are encouraged to notify the administration of their volunteer participation
 - Providence Swedish
 - Staff are encouraged to notify the administration of their volunteer participation
 - University of Washington
 - Full-time and part-time faculty who get Sites of Practice approval
 - Residents and supervising faculty in an approved residency program activity
 - Residents and supervising faculty in an approved service learning project
 - Virginia Mason Franciscan Health
 - Staff are encouraged to notify the administration of their volunteer participation
- Residents are covered under their residency program if Seattle/King County Clinic is an approved activity. Enter **Residency Program – Name of Location** (include name of location) in the Prof. Liability Insurance Carrier field.
- Associates are covered under their preceptor's insurance. Enter **Covered by Preceptor – First and Last Name of Preceptor** (include name of preceptor) in the Prof. Liability Insurance Carrier field.

- Seattle/King County Clinic is an approved mission of the Public Health Reserve Corps (for Public Health-Seattle & King County). If you are an active corps member, your malpractice insurance is covered by the mission. On your Clinic registration form under Other Information, be sure to check the corps member box and include your corps ID number. Then, under Prof. Liability Insurance Carrier enter **PHRC**.
- We do not need a copy of your malpractice insurance certificate, but we do need the **name of the Insurance Company** (a.k.a. Carrier) **and Policy Number** (policy # not needed for KP, MAMC, PS, UW, VMFH, PHRC, or VRP).

If your malpractice policy does not cover you in this setting, or if you are at all uncertain, you may be eligible for free insurance through the state-supported Volunteer and Retired Providers (VRP) Program.

- VRP is available for all U.S. licensed professionals, both in-state and out-of-state.
- Learn more and apply at <https://www.wahealthcareaccessalliance.org/vrp-program> Please submit your application at least two weeks before the Clinic to ensure the policy is in place in time for the Clinic.
- You can register for the Clinic even if you have not yet received your VRP certificate, just enter **Applied to VRP mm.dd.yy** (include date of submission) in the Prof. Liability Insurance Carrier field. We will be checking this so be sure to follow through!
- VRP is managed by another organization, please contact them with questions or to find out more about the status of your application.
